

Remarks

Applicants request entry of the above amendment to correct the claim for priority.

This amendment is being submitted with a petition under 1.182.

This amendment is being submitted to correct the first line of the specification in accordance with 37 CFR 1-78(a). Applicants note that page 3 of the transmittal letter of October 23, 2003, included an instruction to amend the specification. However, it does not appear that amendment was entered.

Accordingly, the amendment set forth in this paper is being made to correct the first paragraph as not being previously amended.

If the examiner has any questions, please contact the undersigned.

Respectfully submitted,
